ISLMA www.islma.org

I-SAIL combines

- Illinois State Learning Standards
- AASL 21st Century Standards
- NETS Standards

with library standards, objectives and benchmarks.

The purpose of I-SAIL is to empower, educate and encourage school library media specialists to create and utilize a library curriculum to teach Information Literacy skills to their students; therefore preparing the students for college and an information fluent society.

Remember to add your lessons plans and other ideas to the ISLMA wiki at http://illinoisschoollibraries.wikispaces.com
Questions or comments should be directed to islma@islma.org
